Will Serve Letter

To request a Will Serve letter for your project, fill out and submit the completed [Will Serve request form](#). Any accompanying documents such as the vicinity map or site plan, legal description and water/sewer demand estimates, should be attached as PDF documents. You will receive an e-mail confirmation of your request.

Upon receipt of the necessary information, ACWWA will process your request and issue a Will Serve letter that typically includes the following general information:

- The conditions of service.
- When the Will Letter will expire

The Applicant shall furnish the Authority the form of an Ability to Serve Letter that may be required or requested by the jurisdiction in which the property is located.

For Applicants requesting service outside of ACWWA's Public Improvement District, please refer to "PID" in ACWWA's Rules and Regulations.

Please allow five business days for processing of a typical will serve requests. If there are special conditions a review may take longer.
